

When I Am Lost

By Raina David

When I am lost, I think of my mom and how she sings us to sleep

When I am lost, I think of my dad and how he always plays with me

When I am lost, I think of my brothers and how they always follow me around

When I am lost, I think about all the good things in life and then,
when I wake up,

I find myself in my room on my bed as if I were never lost

About the Author:

Raina David loves to read and write stories. She also loves to write poems and draw monsters. She is 8 years old and is very proud of this poem because it reminds her of everything good in life and all the wonderful things she has that many people don't have. Raina's mom always says, "Be grateful for what you have; not everyone has wonderful things like you do." My dad never ever wastes food. He always eats the leftovers even if he is full. You can be grateful for your surroundings too. You just have to believe in yourself.

A Special Note from Raina:

"When you feel scared, lonely, sad, or uncomfortable, try not to lose your temper.

Stay calm and think about all the things that make you happy.

Just trust that God is always with you."
