

DIVING INTO YOUR FEARS.

About the Artist

Keegan Kim is 10 years old. When he grows up, he hopes to be an artist. He loves to draw almost anything - whether it's realistic animals, sports, or historical figures, he dives right in. His favorite artist is Jean Michel Basquiat. Outside of making art, Keegan plays soccer and reads too many books to list here. Keegan has yet to dive into the water himself but one day he will-just you wait and see!
