

# THE VISIT GONE WRONG

By Harper Cornwell,  
Lydia Miner, and Eleni Samios

## SCENE ONE

*outside; a grassy field with a nearby pond.*

**Sunny:** *(amazed)* Hey, Jewels! It looks like there's something in the sky!

**Jewels:** *(skeptically)* I wonder what it is!

**Flappy:** *(flying down angelically)* Hello? Who are you?

**Sunny:** *(confused)* Hi, I'm Sunny! Did you come from that star in the sky?

**Flappy:** Yes, I come from the same place as you, right? You come from the sky too?

**Jewels:** What's happening? You came from the sky, Sunny?

**Sunny:** Yes I did, Jewels. I told you a million times! *(turning to Flappy)* I think I did see you up there. Is your name... Flappy?

**Flappy:** Yep! I am glad I met you and Jewels. Do you want to do something?

**Sunny:** Yeah! You pick since you have never been on the ground before!

**Flappy:** I have always wanted to swim. Could we swim? I think there's a pond over there?!

**Jewels:** Yeah, that's our favorite pond! That would be so fuuuuun!

**Sunny:** Yes, that will be fun! *(starts whispering)* Flappy, can I talk to you real quick?

**Flappy:** *(excitedly)* Yeah, sure!

*(Sunny goes off with Flappy)*

**Sunny:** I just want to warn you that when Jewels does not eat, she gets a bit fired up.

**Flappy:** Okay! That's fine. I'm sure she's nice, full, and happy today.

**Jewels:** *(shouting from a distance)* Don't leave me, Sunny and Flappy!!

**Sunny:** We won't!

**Flappy:** Let's go! *(making their way to a small body of water)* Here's the pond. Let's jump into the nice cold water.

**Flappy:** Wow! This is nice... I wish we had ponds up in the sky!

*(a few hours later...)*

**Jewels:** I am getting out of the pond. *(forcefully)* Sunny, come with me!

**Flappy:** I am going to stay in for a bit longer. Now that I have been in water, I love it!

## SCENE TWO

*Sunny and Jewels have walked over to the edge of the pond, away from Flappy.*

**Sunny:** *(confused)* Okay... do you need something?

**Jewels:** *(angry)* Yes! I do not know if I want to be friends with Flappy. Staying in the pond for that long is a bit weird!

**Sunny:** But why? Flappy seemed nice in the sky, and it turns out, she is.

**Jewels:** *(forcefully)* But... She is really weird. Maybe she should just go back into the sky.

**Sunny:** *(thinking: Did Jewels eat today?)*

*(while they are talking, Flappy leans in so she can hear what Jewels has said, and then Flappy flies into the sky as fast as she can.)*

**Sunny:** Oh no... she left!

**Jewels:** *(loudly and angrily)* FINALLY!

**Sunny:** *(thinking: What can I do?)*

**Jewels:** *(irritated)* So are you going to say something?!

**Sunny:** *(flying off quickly)* Ummm... I gotta GO!

**Jewels:** *(mad)* Sunny is so annoying!

## SCENE THREE

*Up in the sky*

**Sunny:** Flappy, what happened?

**Flappy:** *(angry)* You know what happened! Does this ring a bell? Jewels said, "Maybe she should just go back into the sky."

**Sunny:** *(thinking)* Oh, no! She must have heard Jewels talking about her!

**Sunny:** I am sorry. Jewels is not usually like this.

**Flappy:** Well, I have seen enough. I am staying up here!

**Sunny:** Wait! Jewels did not eat! Do you remember what I told you?

**Flappy:** *(thinking)* Sunny said, "When she does not eat, she gets a bit fired up!"

I remember! I need some time, but maybe I will come down. First, we need to make a plan of how to get Jewels calmed down.

*(on the ground with Jewels)*

**Jewels:** Where did Sunny go! I am so mad!

*(back with Sunny and Flappy while they're discussing a plan)*

**Sunny:** I know! I know!

**Flappy:** What?

**Sunny:** Her favorite food is donuts! We could get her some donuts and bring them to her!

**Flappy:** Yes! That's such a good idea. Maybe when we do it, we could make sure she knows how upset she made me?

**Sunny:** Yes! Of course. Now let's go down and get some donuts!

*(Flappy and Sunny fly down and get twelve donuts from the nearest donut shop) Prop: one box from Krispy Kreme Donuts*

**Sunny:** Ok, now let's go to the pond to see Jewels.

*(they go to the pond and find Jewels)*

**Jewels:** You made me SO ang... ARE THOSE DONUTS?

**Flappy:** Yes, have some!

*(they all eat some of the donuts)*

**Sunny:** So... Do you have anything to say to Flappy, Jewels...?

**Jewels:** Oh yeah... That was really mean of me to say, and it was not meant for you to hear Flappy. I am really sorry. I did not mean any of the things I said to Sunny. You are really nice, and I hope you will forgive me!

**Flappy:** Of course. Just do not do it again, please. And make sure you have a full belly!

**Jewels:** I definitely will! Now let's eat more donuts!

**Sunny and Flappy:** *(laughing)* Yeah!

*(they all finish eating and hug to make up)*

*Jewels, Sunny, and Flappy will always be best friends, and Jewels will always make sure she eats.*
